

BARASTOC COOL COMMAND

High energy oats-free muesli feed for performance horses

Formulated with the 'hotter' horse in mind, Barastoc Cool Command enables high performance without the 'fizz'. Being free of any unprocessed grain and containing no oats, its lower starch formulation provides the energy that performance horses need - without causing anxiety or problematic behaviour.

-  No soaking. Feed straight from the bag!
-  Lower starch formula provides cool energy
-  Cooked grain and beet pulp for easily digestible safe energy
-  Vegetable oils promote healthy skin and coat condition
-  Added yeast cultures for a healthy digestive system and improved utilisation of roughage
-  High level of antioxidants to prevent muscle damage
